

The HBO logo is prominently displayed in the top left corner in a bold, orange, sans-serif font. The background of the entire cover is a photograph of a man wearing a brown fedora and a dark jacket over a light-colored shirt, looking directly at the camera with a serious expression. In the background, there are some rocky, ancient-looking structures.

All the Right Moves

**Tom Cruise Craig T. Nelson
Lea Thompson**

For old-fashioned moviemaking and salt-of-the-earth values, this drama has all the right elements. An ambitious teen may be trapped in a dying mill town—unless his football skills can bring him a college scholarship. But will a clash with the coach ruin his dreams? Realistic gridiron action and romance. *Adult language, humor; mild violence; nudity.* (R-1:26) **Nov. 11,15,20,24,30**

HBO Comedy Playhouse:
Welcome to
Greater Tuna
Texas (Population 2)

A distinctly different comedy for adults, based on the off-Broadway smash. When a Texas judge is found dead in bed by his housekeeper (wearing her bikini), the circumstances are a bit unusual. The solution to this kinky crime brings the zany locals of Tuna, Texas to the foreground. All the Tuna folks (over 25 of them) are played by Joe Sears and Jaston Williams.
November 14,18,20,23,26,29
